NOTICE OF 2017 ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with information regarding resolutions to be proposed at the 2017 AGM of the Company relating to (i) the granting of general mandates to the directors of the Company (the "Directors") to repurchase and issue ordinary shares of the Company; and (ii) the re-election of retiring Directors.

* For identification purpose only

LETTER FROM THE BOARD

GENERAL MANDATES TO REPURCHASE SHARES AND ISSUE SHARES

At the 2017 AGM, an ordinary resolution will be proposed that the Directors be granted a general mandate to exercise all the powers of the Company to repurchase on The Stock Exchange of Hong Kong Limited (the “Stock Exchange”) the issued and fully-paid ordinary shares of HK\$0.10 each in the capital of the Company (the “Shares”), up to 10% of the aggregate nominal amount of the issued share capital of the Company, as at the date of the passing of the resolution (the “Share Repurchase Mandate”).

The information required pursuant to Rule 10.06(1)(b) of the Rules Governing the Listing of Securities on the Stock Exchange (the “Listing Rules”) to be given to the shareholders of the Company is set out in Appendix I to this circular.

At the 2017 AGM, an ordinary resolution will also be proposed to renew the general mandate, which will lapse at the conclusion of the 2017 AGM, empowering the Directors to allot, issue and deal with additional Shares of up to 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of the passing of the resolution (the “Share Issue Mandate”). No Share was issued pursuant to the share issue mandate granted in the 2016 annual general meeting and the Directors have no present intention to issue Shares under the proposed Share Issue Mandate.

The Share Repurchase Mandate and the Share Issue Mandate will continue in force until the conclusion of the next annual general meeting of the Company, or at the expiration of the period within which the next annual general meeting of the Company is required by any applicable law or the Company’s Bye-laws to be held, or on revocation or variation of the said resolution by an ordinary resolution of the shareholders of the Company in general meeting, whichever is the earliest.

In addition, if the resolution to authorise the repurchase of Shares is passed, an ordinary resolution will be proposed to authorise the Directors to issue further Shares up to an amount equal to the aggregate nominal amount of the Shares purchased under the authority to repurchase.

RE-ELECTION OF DIRECTORS

In accordance with bye-law 112(A) and (B) of the Company’s Bye-laws, Mr. Lee Chin Guan, Mr. Quah Poh Keat and Mr. Chong Yam Kiang shall retire at the 2017 AGM and, being eligible, offer themselves for re-election.

LETTER FROM THE BOARD

Mr. Lee Chin Guan has served as an Independent Non-Executive Directors of the Company for more than 9 years. He satisfies the independence factors set out in Rule 3.13 of the Listing Rules and he is not involved in the daily management of the Company nor in any relationships or circumstances which would interfere with the exercise of his independent judgment. In addition, he continues to demonstrate the attributes of an independent non-executive director and there is no evidence that his tenure has had any impact on his independence. The Board is of the opinion that Mr. Lee Chin Guan remains independent notwithstanding the length of his service and thus recommends him for re-election at the 2017 AGM.

Details of the Directors who are proposed to be re-elected at the 2017 AGM are set out in Appendix II to this circular.

2017 AGM

A notice convening the 2017 AGM is set out on pages 11 to 14 of this circular.

A form of proxy for use at the 2017 AGM is enclosed. Such form of proxy can also be downloaded from the Stock Exchange's website at www.hkex.com.hk and the Company's website at www.publicfinancial.com.hk. Whether or not you are able to attend the meeting, you are requested to complete the form of proxy in accordance with the instructions printed thereon and return it to the Company's branch share registrar in Hong Kong, Tricor Tengis Limited at Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong no later than 48 hours before the time appointed for holding the meeting. Completion and return of the form of proxy will not preclude you from attending and voting in person at the 2017 AGM should you so desire.

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Accordingly, the chairman of the 2017 AGM will put all the resolutions proposed at the 2017 AGM to be voted by way of a poll pursuant to bye-law 76(i) of the Company's Bye-laws. The results of the poll will be published on the Stock Exchange's website at www.hkex.com.hk and the Company's website at www.publicfinancial.com.hk as soon as possible after the conclusion of the 2017 AGM.

RECOMMENDATION

The Directors consider that the above proposals are in the best interests of the Company and its shareholders as a whole and accordingly recommend you to vote in favour of the resolutions relating thereto.

Yours faithfully,
Tan Sri Dato' Sri Dr. Teh Hong Piow
Chairman

As at 8 February 2017 (the “Latest Practicable Date”), the number of Shares in issue was 1,097,917,618. On the basis that no further Shares are issued or repurchased prior to the date of the passing of this resolution, the Directors would be authorised to repurchase up to 109,791,761 Shares.

Further, shareholders should note that the Share Repurchase Mandate covers repurchases made or agreed to be made only during the period ending on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by any applicable law or the Company’s Bye-laws or the date upon which such authority is revoked or varied by an ordinary resolution of the shareholders in a general meeting of the Company.

INFORMATION TO ASSIST SHAREHOLDERS

The following information is provided to enable shareholders to make an informed decision on whether to vote for or against the resolution to approve the purchase by the Company of its own Shares:

(a) Reasons for Share Repurchase Mandate

The Directors believe that it is in the best interests of the Company and its shareholders to have a general mandate from shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and its shareholders.

(b) Funding of Repurchases

The Company is empowered by its Memorandum of Association and Bye-laws to repurchase its Shares. Repurchases will be funded from the funds legally available for such purpose. Bermuda law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the profits that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on a repurchase may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or out of the share premium or contributed surplus accounts of the Company. The Directors proposed that the Company would derive the funds from such sources.

(c) Impact on Working Capital or Gearing Position

As compared with the position disclosed in the audited accounts for the financial year ended 31 December 2016, the Directors consider that there will be no material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be carried out in full during the proposed repurchase period. Nevertheless, the Directors do not propose to exercise the Share Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which, in the opinion of the Directors, are from time to time appropriate for the Company.

(d) Directors, their Close Associates and Core Connected Persons

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules) has any present intention, in the event that the proposal is approved by shareholders, to sell their Shares to the Company under the proposed Share Repurchase Mandate.

No core connected persons (as defined in the Listing Rules) of the Company has notified the Company that he/she has a present intention to sell Shares to the Company or has undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make purchases of Shares.

(e) Undertaking of the Directors

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases pursuant to the proposed resolution in accordance with the Listing Rules and all applicable laws of Bermuda, and in accordance with the regulations set out in the Memorandum of Association and Bye-laws of the Company.

(f) Share Repurchases made by the Company

During the six months preceding the Latest Practicable Date, the Company has not repurchased any of its Shares.

(g) Share Prices

During each month from 1 February 2016 to the Latest Practicable Date, the highest and lowest traded prices of the Shares on the Stock Exchange were as follows:

	Per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2016		
February	3.45	3.21
March	3.70	3.24
April	3.61	3.49
May	3.62	3.37
June	3.44	3.32
July	3.44	3.27
August	3.47	3.23
September	3.60	3.34
October	3.62	3.45
November	3.52	3.39
December	3.52	3.34

January	3.59	3.35
February (made up to the Latest Practicable Date)	3.43	3.37

(h) The Code on Takeovers and Mergers and Share Buy-backs (the "Takeovers Code")

If, on the exercise of the power to purchase Shares pursuant to the Share Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such an increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a shareholder or a group of shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Public Bank Berhad ('Public Bank') held a beneficial interest in 804,017,920 Shares, representing approximately 73.23% of the issued share capital of the Company. Tan Sri Dato' Sri Dr. Teh Hong Piow is deemed to be interested in the Shares of the Company to the extent Public Bank has an interest by virtue of his interest in Public Bank. In the event that the Directors exercise in full the power to repurchase Shares which is proposed to be granted pursuant to Ordinary Resolution No. 4 and if there is no other change in the issued share capital of the Company, the shareholdings of Public Bank as well as Tan Sri Dato' Sri Dr. Teh Hong Piow would be increased to approximately 81.37% of the issued share capital of the Company. The Directors consider that such an increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors are also not aware of any other shareholder, or a group of shareholders acting in concert, who may become obliged to do so in such an event.

However, such increase from 73.23% to 81.37% will mean that less than 25% of the Shares are in public hands and thus will contravene the minimum public float requirement pursuant to Rule 8.08(1) of the Listing Rules. The Directors will not exercise the Share Repurchase Mandate to such extent that may jeopardize the public float requirement.
