Dear Sir or Madam,

**PROPOSALS IN RESPECT OF GENERAL MANDATES TO

The purpose of this circular is to provide you with information regarding resolutions to be proposed at the 2008 Annual General Meeting of the Company relating to (i) the granting of general mandates to the directors of the Company (the "Directors") to repurchase and issue ordinary shares of the Company (the "Shares"); and (ii) the re-election of retiring Directors.

**GENERAL MANDATE TO REPURCHASE SHARES**

At the 2008 Annual General Meeting, an ordinary resolution will be proposed that the Directors be granted a general mandate to exercise all the powers of the Company to repurchase on The Stock Exchange of Hong Kong Limited (the "Stock Exchange") the issued and fully-paid Shares of HK\$0.10 each in the capital of the Company, up to a maximum of 10% of the issued share capital of the Company as at the date of the passing of the resolution (the "Share Repurchase Mandate").

## **LETTER FROM THE BOARD**

---

The information required pursuant to Rule 10.06(1)(b) of the Rules Governing the Listing of Securities on the Stock Exchange (the “Listing Rules”) to be given to the shareholders of the Company is set out in Appendix I to this circular.

### **GENERAL MANDATE TO ISSUE SHARES**

At the 2008 Annual General Meeting, an ordinary resolution will be proposed to renew the general mandate, which will lapse at the conclusion of the 2008 Annual General Meeting, empowering the Directors to allot, issue and deal with additional Shares of up to 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of the passing of the resolution (the “Share Issue Mandate”).

The Share Issue Mandate and the Share Repurchase Mandate will continue in force until the conclusion of the next annual general meeting of the Company, or at the expiration of the period within which the next annual general meeting of the Company is required by law to be held, or on revocation or variation of the said resolution by an ordinary resolution of the shareholders of the Company in general meeting, whichever is the earliest.

In addition, if the resolution to authorise the repurchase of Shares is passed, an ordinary resolution will be proposed to authorise the Directors to issue further Shares up to an amount equal to the aggregate nominal amount of the Shares purchased under the authority to repurchase.

The Share Issue Mandate empowers the Directors to allot, issue and deal with additional Shares of up to 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of the passing of the resolution as and when required. No Share was issued pursuant to the share issue mandate granted in the 2007 annual general meeting and the Directors have no present intention to issue Shares under the proposed Share Issue Mandate.

### **RE-ELECTION OF DIRECTORS**

In accordance with bye-laws 112(A) and (B) of the Company (the “Bye-laws”), Mr. Tan Yoke Kong, Mr. Lee Huat Oon and Dato’ Chang Kat Kiam will retire at the 2008 Annual General Meeting and, being eligible, will offer themselves for re-election.

Details of the Directors who are proposed to be re-elected at the 2008 Annual General Meeting are set out in Appendix II to this circular.

### 2008 ANNUAL GENERAL MEETING

A form of proxy for use at the 2008 Annual General Meeting is enclosed, a copy of which can also be obtained via the Stock Exchange's website. Whether or not you are able to attend the meeting, you are requested to complete the form of proxy in accordance with the instructions printed thereon and return it to the Company's branch share registrar in Hong Kong, Tricor Tengis Limited at 26/F, Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong no later than 48 hours before the time appointed for holding the meeting. Completion and return of the form of proxy will not preclude you from attending and voting in person at the 2008 Annual General Meeting should you so desire.

### RIGHT TO DEMAND A POLL

Pursuant to Bye-law 76 of the Company, a resolution put to the vote at any general meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by:

- (i) the chairman; or
- (ii) at least three members present in person or by proxy or by representative for the time being entitled to vote at the meeting; or
- (iii) any member or members present in person or by proxy or by representative and representing not less than one-tenth of the total voting rights of all the members having the right to vote at the meeting; or
- (iv) a member or members present in person or by proxy or by representative and holding Shares conferring a right to vote at the meeting being Shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the Shares conferring that right.

### RECOMMENDATION

The Directors consider that the above proposals are in the best interests of the Company and its shareholders as a whole and accordingly recommend you to vote in favour of the resolutions relating thereto.

Yours faithfully,  
**Tan Sri Dato' Sri Dr. Teh Hong Piow**  
*Chairman*

As at 23 January 2008 (the “Latest Practicable Date”), the number of Shares in issue was 1,093,896,618. On the basis that no further Shares are issued or repurchased prior to the date of the passing of this resolution, the Directors would be authorised to repurchase up to 109,389,661 Shares.

Further, shareholders should note that the Share Repurchase Mandate covers repurchases made or agreed to be made only during the period ending on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by any applicable law or the Bye-laws or the date upon which such authority is revoked or varied by an ordinary resolution of the shareholders in a general meeting of the Company.

### **INFORMATION TO ASSIST SHAREHOLDERS**

The following information is provided to enable shareholders to make an informed decision on whether to vote for or against the resolution to approve the purchase by the Company of its own Shares:

#### **(a) Reasons for Share Repurchase Mandate**

The Directors believe that it is in the best interests of the Company and its shareholders to have a general mandate from shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and its shareholders.

#### **(b) Funding of Repurchases**

The Company is empowered by its Memorandum of Association and Bye-laws to repurchase its Shares. Repurchases will be funded from the funds legally available for such purpose. Bermuda law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the profits that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on a repurchase may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or out of the share premium or contributed surplus accounts of the Company. The Directors proposed that the Company would derive the funds from such sources.

**(c) Impact on Working Capital or Gearing Position**

As compared with the position disclosed in the audited accounts for the financial year ended 31 December 2007, the Directors consider that there will be no material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed repurchases were to be carried out in full during the proposed repurchase period. Nevertheless, the Directors do not propose to exercise the Share Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

**(d) Directors, their Associates and Connected Persons**

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their associates has any present intention, in the event that the proposal is approved by shareholders, to sell their Shares to the Company under the proposed Share Repurchase Mandate.

No connected persons of the Company (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company nor have they undertaken not to sell any of the Shares held by them to the Company in the event that the Company is authorised to make purchases of Shares.

**(e) Undertaking of the Directors**

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases pursuant to the proposed resolution in accordance with the Listing Rules and all applicable laws of Bermuda, and in accordance with the regulations set out in the Memorandum of Association and Bye-laws of the Company.

**(f) Share Repurchases made by the Company**

During the six months preceding the Latest Practicable Date, the Company has not repurchased any of its Shares.

**(g) Share Prices**

During each month from 1 January 2007 to 31 December 2007, the highest and lowest traded prices of the Shares on the Stock Exchange were as follows:

|             | Per Share              |                       |
|-------------|------------------------|-----------------------|
|             | Highest<br><i>HK\$</i> | Lowest<br><i>HK\$</i> |
| <b>2007</b> |                        |                       |
| January     | 6.780                  | 5.970                 |
| February    | 6.700                  | 5.650                 |
| March       | 6.110                  | 5.750                 |
| April       | 6.020                  | 5.840                 |
| May         | 6.340                  | 5.890                 |
| June        | 6.260                  | 5.890                 |
| July        | 5.990                  | 5.560                 |
| August      | 5.760                  | 4.810                 |
| September   | 5.430                  | 5.070                 |
| October     | 5.350                  | 5.040                 |
| November    | 5.160                  | 4.180                 |
| December    | 5.100                  | 4.230                 |

**(h) Hong Kong Code on Takeovers and Mergers**

If, on the exercise of the power to purchase Shares pursuant to the Share Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such an increase will be treated as an acquisition for the purposes of the Hong Kong Code on Takeovers and Mergers (the "Code"). As a result, a shareholder or a group of shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make mandatory offer in accordance with Rule 26 of the Code.

As at the Latest Practicable Date, Public Bank Berhad ("Public Bank") held a beneficial interest in 804,017,920 Shares, representing approximately 73.50% of the issued share capital of the Company. Tan Sri Dato' Sri Dr. Teh Hong Piow is deemed to be interested in the Shares of the Company to the extent Public Bank has an interest by virtue of his interest in Public Bank. In the event that the Directors exercise in full the power to repurchase Shares which is proposed to be granted pursuant to Ordinary Resolution No.5 and if there is no other change in the issued share capital of the Company, the shareholdings of Public Bank as well as Tan Sri Dato' Sri Dr. Teh Hong Piow would be increased to approximately 81.67% of the issued share capital of the Company. The Directors consider that such an increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Code. The Directors are also not aware of any other shareholder, or a group of shareholders acting in concert, who may become obliged to do so in such an event.

However, such increase from 73.50% to 81.67% will mean that less than 25% of the Shares are in public hands and thus will contravene the minimum public float requirement pursuant to Rule 8.08(1) of the Listing Rules. The Directors will not exercise the Share Repurchase Mandate to such extent that may jeopardize the public float requirement.
